**Your idea, your design on  
custom-printed logo mats**

You're in advertising and are looking custom floor mats for your customers that keep floors clean and protect them from moisture. You have a design in mind and want to promote the corporate message in the entrance area. But your advertising materials must be sustainable. We have the answer.

Our extremely versatile, individually designed floor mats for entrance areas in commercial premises, branded with a customer logo. Present the brand the professional way – protect your floors, welcome your visitors, give them directions, create an eye-catcher or signage. Our focus is on maximum design flexibility combined with dirt and moisture absorption.

Logo mats with effective protection, with or without all-round safety border, offer new design options. A perfect combination of design and functionality.
