## emco DIPLOMAT Premium With MAXIMUS insert 522 TLS P Maximus

| Model   | 522 TLS P Maximus   |
|---|---|
| Load  | Normal to heavy   |
| Support chassis                                 | made of rigid aluminium with sound insulation underlay. In<br>the area of the tactile guidance system, the profiles are laid<br>alternately in two heights.                                   |
| Approx. height (mm)                             | 22  |
| Note on height                                  | The insert can actually be approx. 2-3 mm higher due to the wear layer.   |
| Tread surface                                   | The stylish Maximus insert stands out from the crowd with its premium-quality tufted velour and high-end design.  |
| Standard profile clearance approx.<br>(mm)      | 3 mm, rubber spacers  |
| Colours   | Anthracite 80.02  |
