### **Model COLOR PLUS**

The perfect addition to a comprehensive range. Made from highquality tufted velour. Wide range of uses in public buildings and private apartments due to its combination of mottled colours.

#### Description

With its surface structure that is able to conceal dirt and its blends of different colours, COLOR PLUS is the perfect solution for protecting textile, stone or parquet floors that lie beyond the clean-off zone. \\ COLOR PLUS prevents dirt and moisture from outside the building being brought in.

<b>Product characteristics</b> Soiling and moisture absorption	Supplied as mats	90 x 120 cm (incl. border) 90 x 150 cm (incl. border)
	Product characteristics	Soiling and moisture absorption

Laying	Individual rolls or smaller coverings can be laid loose on any smooth floor. For larger areas, and allowing for on-site conditions, we recommend fixed laying with an adhesive suitable for plasticised PVC.
Cleaning	Dirt removal with powerful brush vacuum cleaner. The spray extraction process is recommended for periodic basic cleaning. Cleaning with plenty of water is absolutely no problem, water temperature should not be above 40°C. Do not use chlorinated hydrocarbon (Tetra).
Brand	emco

Suitable for:
Retirement homes and Care-/Nursery Homes
medical practice
Offices and administrative buildings
Family home
Hotel
Kindergarten/Nursery
Apartment building
School
Sports hall
