

Model LINEO 17

Premium-quality, eye-catching stainless-steel profile with laser-cut text and logos for emco entrance mat systems. Freely selectable positioning and fonts.

Description

Upgrade your entrance with lettering in a stainless steel profile in your entrance mat system. The text is not simply printed onto the mat; rather, it is laser-cut into a high-quality stainless steel profile, which is permanently integrated in the entrance mat system.

Indoor and outdoor (covered, Zone 1+2)

Model LINEO 17

Technical details	Material: Chrome-nickel steel (V2A). Suitable for emco Diplomat 517/522. Profile width 50 mm. Different fonts and several widths available. An additional 1 mm thin sheet is inserted beneath the stainless steel profile and riveted to the areas of it which cannot be seen; this prevents dirt and debris from being pressed down into the letters.
