

Model LINEO 22

Premium-quality, eye-catching stainless-steel profile with laser-cut text and logos for emco entrance mat systems. Freely selectable positioning and fonts.

Description

Upgrade your entrance even more: with wording in a stainless steel profile in your entrance mat system. This is not a simple print, but a high-quality, laser-cut stainless steel profile that is permanently incorporated in the entrance mat. Two translucent colours are available: red (RAL 3020) or black (RAL 9005).

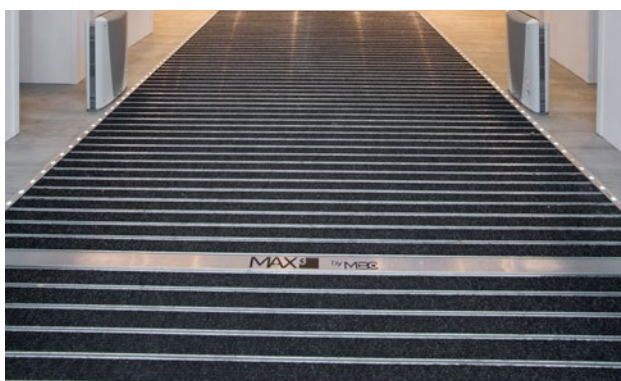

Indoor and outdoor (covered, Zone 1+2)

Model LINEO 22

Technical details	Material: Chrome-nickel steel (V2A). Suitable for emco Diplomat 517/522. Profile width 50 mm. Different fonts and several widths available. An additional 1 mm thin sheet is inserted beneath the stainless steel profile and riveted to the areas of it which cannot be seen; this prevents dirt and debris from being pressed down into the letters.	
	Approx. material thickness (mm)	1,5
	Height (mm)	22

Subject to technical modifications
