EMCO

COLOUR FUL

The emco colour palette includes 79 colours divided into 60 background colours and 19 spot colours. The background colours are the all-rounders: They are suitable for both mat backgrounds and design elements. Our spot colours, on the other hand, are not suitable for backgrounds, but are used as highlights/accent colours in the design.

19 Spot (highlight) colours can only be used as highlight/accent colours *
