

Model QUADRO 17

Premium-quality, eye-catching stainless-steel profile with laser-cut text and logos for emco entrance mat systems. Freely selectable positioning and fonts.

Description

Upgrade your entrance with lettering in a stainless steel profile in your entrance mat system. The text is not simply printed onto the mat; rather, it is laser-cut into a high-quality stainless steel profile, which is permanently integrated in the entrance mat system. Embossing on sections of the profile is larger e.g. to depict a logo.
