

# Model LINEO 12

Premium-quality, eye-catching stainless-steel profile with laser-cut text and logos for emco entrance mat systems. Freely selectable positioning and fonts.

**Description**

Upgrade your entrance with lettering in a stainless steel profile in your entrance mat system. The text is not simply printed onto the mat; rather, it is laser-cut into a high-quality stainless steel profile, which is permanently integrated in the entrance mat system.

Indoor and outdoor (covered, Zone 1+2)

## Model LINEO 12

<b>Description</b>	Upgrade your entrance with lettering in a stainless steel profile in your entrance mat system. The text is not simply printed onto the mat; rather, it is laser-cut into a high-quality stainless steel profile, which is permanently integrated in the entrance mat system.	<b>Technical details</b>	Material: chrome-nickel steel (V2A). Suitable for emco Diplomat 512. Profile width 50 mm. Different fonts and special widths available. An additional sheet with a thickness of 1 mm is also inserted beneath the stainless steel profile and riveted to this in areas that cannot be seen; this prevents dirt and debris from being pressed down into the letters.
		<b>Approx. material thickness (mm)</b>	1,5
		<b>Height (mm)</b>	12
